

Dear Rose Linn Friends and Families,

I regret to inform you that we are experiencing a small outbreak of COVID-19. In order to quickly and effectively limit the spread of the virus, we are going through the following processes:

- Testing all residents and staff
- Using disposable items from the kitchen until further notice
- Actively monitoring all residents for any change in condition

We also regret that we are suspending any visits until no new cases are detected and the spread of the virus has been contained. If you have any questions or concerns, please call the facility.

Brady Waldroff  
Executive Director, Rose Linn Care Center
