**Meet our new
Social Services
Director!
Joyce Milbrandt**

Hi there! I am super excited to join the team here at Rose Linn. I have worked in Skilled Nursing for 8 years now, with a little break at Assisted Living for a good year and a half. I was an Activities Director for the last 7 years, and while I loved it, it was always my passion to work in Social Services. I have a ton of hobbies that include hiking, crafting, making key-chains/necklaces/earrings, and collecting rocks and crystals. I enjoy most of my time at home with my two dogs Eddy and Lizzy Bea. On my off time when I am not at home, I try to spend as much time with the people that I love. Come say hi if you get a chance!
